The second story of the new Clark building opposite the Graphic office has been leased by a Mr. Cain who will open it up as a rooming house on April 15th; entire new furnishings have been ordered of J. A. Mahoney, and the new lodging house should be one of the finest in the southwest.

The marriage certificates of Pilar Ortega and Miss Geronima Gonzales, of Deming, dated March 23, Rev. Father August Morin officiating, and Pedro Armandaras and Miss Bernarda Garcia, of Gage, Justice Edw. Pennington officiating, were filed in the office of probate clerk, B. Y. McKeyes the past week.

It will pay you to read the advertising columns of the Graphic—new ads. and changes in old ones are printed every week. In this issue J. A. Mahoney offers some great bargains in house furnishing goods and hardware for summer use, Lee Shipp tells of cheap goods in the clothing line, and B. H. Ives of Albuquerque calls your attention to the best green house in the west.

Mrs. Clark has given the use of the fine large hall in the new Clark building for the dance which will be given on

27th by the ball team and in this connection we will say that it was the hall and not the dance, as we said in last week's paper, which was given by Mrs. Clark on the evening of the cattlemen's convention. The dance was given by the ball team.

Mock Trial.

The Twentieth Century debating club are preparing for a mock trial tomorrow evening, which if we can judge by the work that is being done by the council on each side, will be very interesting. We are informed that some good work has been done by this society during the past few months and this new phase of their efforts should result in much good to the members of the club.

The best pill 'neath the stars and stripes; It cleanses the system and never gripes. Little Early Risers of worldly repute— Ask for DeWitt's and take no substitute.

A small pill easy to buy, easy to take and easy to act, but never failing in results. DeWitt's Little Early Risers arouse the accretions and set as a tonic to the liver, curing permanently. J. P. Byron & Son.

Hermanos News.

Cruz Smith has taken up a quarter section of land and is building a residence, and other buildings upon it, and has let the contract for drilling a well for stock water.

Quite a number of claims have been taken up in this vicinity during the past month and it begins to look as if we might have a regular boom this summer.

Real Estate Transfers.

The following record of real estate transfers during this month show a healthy condition in the land business at the beginning of spring. These transfers were made at fairly good figures and the parties acquiring some of them will begin the erection of substantial buildings on them in a short time.

A Remarkable Case.

One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia is that of Mrs. Gertrude M. Penner, Marian, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I run down in weight from 145 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." J. P. Byron & Son.

What's in a Name.

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co., of Chicago, discovered, some years ago, how to make a salve from Witch Hazel that is a specific for piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases, DeWitt's salve has no equal. This is given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. J. P. Byron & Son.

The Stomach is the Man.

A weak stomach weakens the man because it cannot transform the food he eats into nourishment. Health and strength cannot be restored to any sick man or weak woman without first restoring health and strength to the stomach. A weak stomach cannot digest enough food to feed the tissues and revive the tired and run down limbs and organs of the body. Kodol Dyspepsia cure cleanses, purifies, sweetens and strengthens the membranes of the stomach and cures indigestion, dyspepsia and all stomach troubles. J. P. Byron & Son.

Woman's Duties.

A woman who keeps her house in order and has the care of a family, has just as much responsibility as the man who provides the means to carry on the housekeeping. She is deserving of the more credit since the demand of her strength is greater. The everlasting sameness about her duties, and the confinement necessary to carry them out is very trying to the nervous system, this produces a strain on the mind that makes irritable, cross and dissatisfied, which is just as much a disease as rheumatism or catarrh. If the nerves can be built up and made strong by medicine of some kind, this feeling is changed in one of cheerfulness and pleasure in her duties. The medicine that makes strong healthy nerves, and prevents disease by building up the entire system is Dr. Gunn's Blood and Nerve Tonic, a tablet to take at meal time. Cures nervous prostration by making rich red blood, feeding the nerves and making solid flesh at the rate of one to three pounds per week. The medicine is sold by druggists for 75 cents per box, or 3 boxes for \$2, or sent by mail post paid upon receipt of price. Write us about your case. Address Dr. Cosanko Med. Co., Philadelphia, Pa. For sale by J. P. Byron & Son.
